## BUSTYMERILYN DOT CUM

Dear *Voluptuous*,

I saw Marilyn in the Holiday '05 *Voluptuous*, and I was completely blown away. What a perfect body. I blew my stack looking at your great feature on her. Can we please see more of her? How about some poses in bra, stockings and suspenders? A side shot would, I'm sure, finish off most guys. She has such a flat stomach, let's see her in more positions.

You guys have really scored on finding such rare perfection. I can't imagine a better specimen of womanhood. Much thanks!—"George," e-mail address withheld

Dear "George": You'll be seeing more of Marilyn in *Voluptuous*. However, for pretty much every picture of Marilyn in the world, log onto the Internet and head to her new website, [BustyMarilyn.com](http://BustyMarilyn.com). Like Marilyn, it's loaded!

## ANALLY INSPIRING

Dear *Voluptuous*,

My husband of 30 years enjoys your girls every month, and I get the benefit of the great hard-ons. He especially gets excited over the *Xtra* section, so your special *XXX Boobs* magazine accompanying the Jan. '06 *Voluptuous* gave both of us a lot of pleasure.

My husband has been asking me to try anal sex with him for quite a while, but I have been very reluctant to do so. On two occasions in the past five years or so, my husband and I attended swinger parties where he enjoyed anal sex with one of the other wives while I limited myself to oral and vaginal penetration with the other husbands.

Three days ago, Ted showed me the anal penetration pictures of Daphne Rosen and 19-year-old beauty Iva. Well, I can't think of any women more perfect than those two lovely models to convince me that at age 51 I was really

missing out on something, so because of Daphne and Iva I gave in.

My husband was very understanding and patient with me as he lubricated me with petroleum jelly and with his own cum after masturbating. He inserted his soft, post-ejaculation cock just a little way into my asshole and let it get hard again while inside of me. It didn't hurt at all. Within 30 minutes, my husband was all the way in and moving very gently, never thrusting

Marilyn may not have won the 2005 Newcomer of the Year contest, but she sure has succeeded in taking the world by storm. We'll have more pictures of this busty babe in the future. If you can't wait, head to [BustyMarilyn.com](http://BustyMarilyn.com) for the largest collection of Marilyn pictures on the World Wide Web.

hard, until I came. It was absolutely wonderful. Please thank Daphne and Iva on behalf of me and my husband.—G.W., Pennsylvania

## **VOLUPTUOUS HAPPY CHAIR**

Dear *Voluptuous*,

When I was a subscriber to your fabulous publication for several years I couldn't wait to get a new issue of *Voluptuous*. When it arrived, I would head to my happy chair to spend a little quality jacking time with all of the beautiful, busty women of *Voluptuous*. I would skip the index pages so as not to see the girls that would be featured in that issue. I wanted to be surprised and thrilled by every photo as it appeared. I would lube up nice and slow, letting the photos of the first V-girl get my cock hard. I could tell how good the issue was by how much I read before I

shot my load. Most of the time, I wouldn't get too far into the issue before I was shooting all over my happy chair and my catching towel.

In 2002, I let my subscription run out when I moved to another town. What an idiot I was! I missed three years of *Voluptuous*. But, recently, I started my subscription again and thank God for that. I check my mailbox at least twice a day until each new magazine arrives. When it finally does arrive, I go straight to my happy chair.

The reason I am writing is to tell you how exceptional the Jan. '06 *Voluptuous* is. I would have gotten a beach towel (as your editor often recommends) if I had known what was coming.

As always, I skipped the index page so as not to ruin my surprise. My cock was already rock hard just reading the letters to *Voluptuous* and the little pictures. Then it happened! Nicole Peters. Having let my subscription lapse, this was my first look at her. My dick started twitching and jerking in my hand at first sight. What an incredible woman. I was mesmerized at her beautiful flesh mounds, topped with those perfectly sized areolae and those nipples that begged to be sucked to erection. The photo of Nicole on page 20 sent me over the top. Seeing her slowly remove her red panties, revealing that perfect pubic nest was the last straw. A few more slow strokes, and my cock sent three waves of thick juice to the very edges of my towel. Had I not stroked to the left, I would have spewed all over Nicole's photos and possibly ruined them. I would have cried.

I have tried to read your Jan. '06 issue cover to cover four times this week, but I haven't gotten past page 23 yet. I wanted to congratulate you on an unbelievable issue. I'll get to the rest of it soon, maybe.—M.C., New Mexico

son for my letter is to make a request.

In the '90s, you pitted models against each other in The Big-Breast Challenge, a year-long (or so) contest that Devon Daniels eventually won, beating out Lisa Miller, if my memory is correct. That got me to thinking. Why not The Big-Breast Challenge, Part Two? I even have a new title for you... "The Clash of the Tit-ans." With all of the new talent that you have discovered since the end of the original Big-Breast Challenge, I would think that your only problem would be choosing the contestants.

What do you think?—T.J., California

Dear T.J.: We think it's a great idea. In fact, we've been thinking that for a while now. Do you have a bug in our editor's cubicle? He, too, was a fan of The Big-Breast Challenge, and right down to your title, we have been putting the contest together. Our plan is to have every Model of the Year winner get an automatic berth—Carol Brown, Devon Daniels, Via Paxton, Sharday, Kerry Marie and Nicole Peters—and then our editor is going to give at-large bids to 10 more V-girls. Entirely subjective, though Bruce [Arthur] is old school and loves big tits, so you can bet they'll be packin'. Watch for The Clash Of The Tit-ans, coming summer 2006.

### SAY WHAT?

Dear *Voluptuous*,

Love, love, love your magazine. I just wish all of the married *Voluptuous* ladies would leave their wedding rings on when they pose.

A jizz wad from my boyfriend all over my wedding ring is a real turn-on for me. When my WASP hubby does the missionary on me (usually after all the women in his Bible class have been singing his praises), I make sure I dip my finger in my cunt and cover my gold ring with semen. Sadly, he just doesn't get it.—"Erika," Arizona

## 3RD ANNUAL PLUMPER OF THE YEAR CONTEST

We started with 10 super-stacked, gorgeously-plump Finalists, but there can be only one winner. And this year she is...Scarlett. Yes, the fabulous freshman beat out an all-star collection of plumpers, including our past two champions (Devin Taylor-2004 and Samantha-2003), to win the Biggest Contest Of Them All! Even more impressive is that Scarlett won with a record number of votes being cast, 29,275. One thing that long-time

readers may notice is that we are only listing the top five finishers and their vote totals. Why? Because there are no losers in any of our contests. All of the Finalists deserve our utmost respect and admiration, regardless of their placement, although none commands more kudos this year than 2005's Plumper of the Year...Scarlett.

# SCARLETT

**One helluva freshman year!**

One pictorial, a hot-ass debut video, a gorgeous face, curvy body and lots of wood for V-men. Add 'em all up, and is it any surprise that this sexy, stacked newbie smoked the greatest collection of plumpers and super-plumpers ever seen? Trust us, one long, *hard* look at Scarlett and you'll know instantly...this was no upset.

**Voluptuous  
2005  
Plumper  
Of The Year**

## BARE FACTS

## SCARLETT

**Age:** 31 **Birthday:** December 5, 1974 **Height:** 5'6" **Weight:** 181 lbs.

**Measurements:** 48-34-46 **Bra Size:** 38J **Born:** Portland, Maine

**Lives:** Atlanta, Georgia **Previous *Voluptuous* appearance:** Aug. '05

**Videos:** *Horny Plumpers* (X-Rated), available on VHS and DVD on page 98.

True, Scarlett is packing, big-time. Her tits are huge in pictures and massive in person. Her ass is so round and shapely, it's practically too much for any one man to handle. And if you like a whole lotta curves, chicks just don't get any better. However, it was Scarlett's face that pushed her to the top in the 2005 Plumper of the Year contest. The girl is "pretty-cute," as voter T.E. from Texas told us. "Pretty enough to stop traffic and cute enough to make you fall in love. Her eyes invite you in and her smile captivates. Scarlett is perfect." We couldn't have said it better.

Although a pretty face and a hot body will take any model far, attitude counts, and for Scarlett and her growing legion of fans, it means everything. "I was going to vote for Devin Taylor, like I did last year," wrote D.R. from New York. "But, I saw Scarlett's video [*Horny Plumpers*]. Not only does she look great in pictures, but on video Scarlett is so unbelievably sexy. She's fun-loving and horny and even though her video wasn't hardcore, I enjoyed it more than any fuck movie I've ever seen. Believe me, I've seen a lot, so that's saying something." We believe ya, D.R., and the hundreds more who wrote us and said pretty much the same thing.

Scarlett was described by many voters as “The Total Package,” and it’s hard to argue with that title. That got us to thinking, had Scarlett been eligible in all three 2005 *Voluptuous* contests, could she have won the Triple Crown? We will never know. One thing we do know is that,

even though Scarlett is getting all dressed up and heading out to celebrate her new title, this isn't the last we'll be seeing of her. And, though *Voluptuous* 2005 Plumper of the Year is quite an accomplishment, something tells us Scarlett may be destined for even greater things...and titles.

WELL, WHAT HAVE WE HERE?

THE BEST LAY YOU'VE EVER HAD FUNNY BOY. NOW LIE DOWN ON THAT CHAISE.

# RICH BITCH

Daniela had it all—a gazillionaire husband, the lap of luxury and a different cock for every day. All she had to do was keep her infidelity a secret.

Erotic Fiction By ED LERNER

Even while asleep (or pretending to be), and without any make-up, Daniela knew she was irresistible. Her long, black hair, fanned behind her head on the pillow, framed her sultry, Mediterranean features and made her face look like an artist's erotic fantasy. Her eyes were the color of coal, bordered by almond-shaped lids and olive-colored skin. Her nose was Roman, with a slight uptilt. Her lips were lush, her chin delicate. Her face gave the impression of being much more than the sum of its parts.

It was this face that her husband was looking at right now. This she sensed, even though her eyes were closed. She thought she could feel him hovering beside the bed. She decided to find out and, still feigning sleep, tossed aside the sheet. Yes, she could hear that sound in his throat that he made whenever he saw her breasts. Her deep-cut, red, satin nightgown had spread enough to reveal half of a pale olive nipple. It was both her face and her full, natural breasts that had first drawn one of the world's wealthiest men to her, and Daniela had been quick to capitalize on that. Now Edgar—nearly 30 years her senior—was hers, and with that came all the luxuries that went with the territory.

"Daniela?" His voice was gentle and soft. "Are you awake?"

She opened her eyes halfway and smiled at his pajama-clad figure and his tentative expression. She knew what that meant.

"My ride won't come for an hour. There's time."

She stretched, her bodice covering her nipple again but doing nothing to hide her deeply-defined cleavage. "Oh, sweetie, any other time. I'm just not in the mood right now. Do you

mind?" Dani pretended not to notice that the bulge in his pajama pants was already lowering.

"I'm not going to be home for a week," he said, still hopeful.

Dani sat up in bed, her breasts jiggling. She placed her fingertips against his abdomen. "And when you come back, I'll give you the best loving you've ever had, sweetie. That I promise."

Promises came easily to her. She clenched his pajama top and drew him to her. "Now come here and kiss me, my big stud-muffin."

Her morning breath did nothing to deter him. God, she thought, he really does love me.

Forty-five minutes later, Dani was in the kitchen nursing a cup of coffee, a red, satin robe over her matching nightgown, watching Edgar bring his own cup to the sink. He was dressed impeccably in a three-piece suit, his briefcase by the door of the mansion's entry hall. "I'll call you from Tokyo," he said as he rinsed the cup.

"Do that," she affirmed with a smile, the warmth of which didn't match that of her eyes. "Just remember the time difference. I can't have my sweetie interrupting my beauty sleep."

Edgar looked out the window toward the back of their estate. "I see the pool man's here already," he said. "What's his name? Harry?"

"Harvey," she said. "I told him to come early today. I want him done and

BREAKFAST OF CHAMPIONS.

gone so I can work on my full-body tan. I want to make myself extra-special for you when you come home."

"I can't wait. Oh," he said almost as an afterthought. "Remember that your personal trainer will be coming in on Friday, and we have a new home secu-

rity company. If you set off the alarm accidentally, you'll need the password."

"I don't think you told me what that was," Dani said.

Edgar smiled shyly. "It's 44DD."

Dani tilted her head, her smile broad. "My bra size is the password? You sly devil. I've always known where your mind was at."

"Guilty as charged, your honor." The doorbell chimed. "That's my ride," Edgar said before kissing his wife goodbye. "Try not to spend all of my money while I'm away."

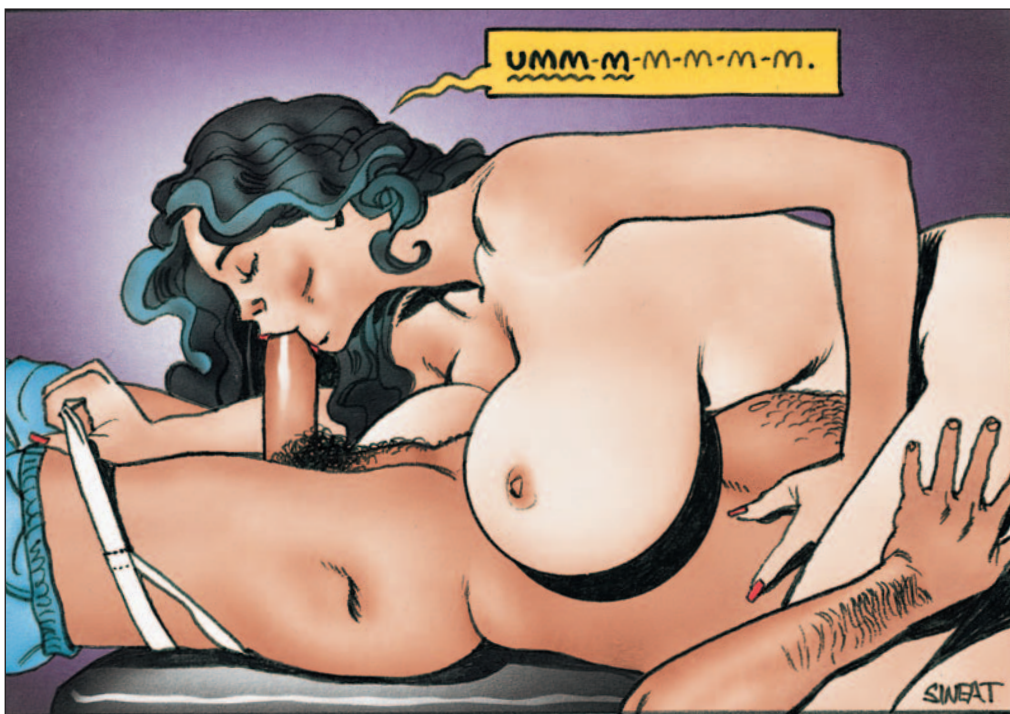

"It'd take longer than a week, sweetie," she cooed back. "You be good now. Don't let me hear you've been entertaining any geisha girls in your hotel."

"Fat chance," he said and was gone.

Ten minutes later, Daniela had brushed her perfect teeth, reddened her lush lips, brushed her luxurious hair and

# THE NATURAL

**Award or no award, Linsey Dawn McKenzie has some of the best breasts of all-time!**

You all know what the year 2006 means, don't you? A decade of Linsey Dawn McKenzie. Since her debut in the Dec. '96 *Voluptuous*, this pictorial marks The Natural's 15th *Voluptuous* pictorial. Linsey has a couple of best-selling videos to her credit, and she won *SCORE*'s 2004 Model of the Year contest. Yet, she has been bypassed in our annual awards celebration. You know what? It doesn't mean a thing. Linsey will always be a winner in our book.

## BARE FACTS **LINSEY DAWN MCKENZIE**

**Age:** 27

**Birthday:** August 7, 1978

**Height:** 5'4" **Weight:** 123 lbs.

**Measurements:** 46-26-36

**Bra Size:** 36HH

**Born, Raised and Lives:** England

**Previous *Voluptuous* appearances:** Jan. '06 (XXX special bonus mag appearance), March '04, Feb. '03, Hol. '02, May '02, Jan. '02, Jan. '01, July '00, Jan. '00, March '99, Oct. '98, Oct. '97, Winter '96, Dec. '96

**Video:** *Linsey Dawn McKenzie Maximum Insertion* (XXX-Rated, available on DVD and VHS in the Video Club on page 98), 12 more videos, including XXX-Rated hardcore and raunchy girl-girl sex available on the Internet at [www.eBoobStore.com](http://www.eBoobStore.com)

**Website:** [www.LinseysWorld.com](http://www.LinseysWorld.com)

Why wasn't Linsey in the 2005 Model of the Year contest? We got a lot of letters on that one. The truth is, we just got tired of seeing Linsey play the bridesmaid when she so much deserves to be front-and-center. It's not *your* fault, though. You guys have seen Linsey often in *Voluptuous*, and it's only human nature to take her for granted. And, even though she had a hot threesome in that Jan. '06 hardcore bonus mag, we haven't seen Linsey since in two years. Has absence made our hard-ons grow fonder? Perhaps. But, if that didn't work, just look at her tits! Welcome back to The Show, Linsey. Damn glad to see ya!

## RICH BITCH

Continued from page 23

applied a subtle touch of perfume to her ears, her throat, her cleavage and to her closely-cropped pubis. She shed her robe, traded her slippers for a pair of red high heels—Harvey liked that—and walked out the kitchen door to the pool.

"Well," the pool man said, eyeing the scarlet goddess who glided toward him. "What have we here?"

"The best lay you've ever had, funny boy. Now lie down on that chaise."

"I do love my job," he said with a wide grin.

Harvey took off his shirt and started to drop his shorts. "Uh-uh," Dani said. "I'll do that. You just lie down."

He did, and Dani knelt over him, her breasts jiggling inside her bodice. She leaned farther forward and buried his face in her cleavage. Harvey cupped her breasts from the side, feeling her silken

flesh press against his ears. Playfully, Harvey bounced his head from one breast to the other, as if they were gelatinous trampolines. Then, turning serious again, he lowered a strap of her nightgown to reveal her breast fully, with its perfectly round nipple.

Harvey kissed her breasts, and with every kiss his lips came closer to that olive nipple with its barely-visible areolae. He licked around it, tongued the hardening nub and sucked it inside his mouth. He heard Dani's "Oh!" as he drew it in, trying futilely to fit her entire breast into his mouth. Then he lowered the other half of her bodice, and his mouth and hand switched places. He smelled her perfume and thought he might cum while still in his shorts.

Dani pushed herself back and looked down. "Looks like Little Harvey's trying to get out," she said with a smile. "Maybe it's time I did something about that." And in seconds his fly was down and "Little Harvey" had sprung up

toward the sky. Dani looked at her lover's eyes, then at his erection. Almost under her breath she whispered, "Breakfast of champions" and proceeded to gobble it down.

Harvey's hands gripped the side of the partially-reclined chaise as he watched this Mediterranean marvel engulf his manhood. She licked and sucked on every inch of his groin, her eyes fixed on his, gauging his reaction to her oral technique. Then she held his penis around its base while swinging her breasts over it, allowing her nipples to slap against his foreskin before pressing them, one at a time, against it. Then her mouth went back into action, wetting him thoroughly before placing him inside her cleavage and stroking him with her breasts.

Now Dani pressed her lips against his. Her tongue made circles around his own as Harvey's hands fumbled at her nightgown, sliding it off her hips and down to her knees. She pulled back and said, "Now, Harvey, I want you to kiss me where I've never been kissed."

He frowned. "Where would that be?"

"On my bellybutton."

"I've kissed your bellybutton before."

She smiled. "From the inside?"

They laughed, and Harvey spun Dani onto the chaise, yanked the nightgown free and dived into her crotch as if he were doing a full gainer into the pool he'd been hired to maintain. The perfume mingled with her natural scent, and just before his facial lips met her labial ones he saw that she was already open, ready to receive his tongue—or something equally pleasant.

But his tongue went in first, and he pressed his face to her sex, ground it against her, probed with his tongue until his jaw ached, and all the time he heard a series of squeals as his tongue explored, and his nose rubbed against her clitoris. His hands, meanwhile, were busy kneading her quivering breasts.

"Take me. Take me now!" he heard, and Harvey slid his mouth up her body, to her breasts, her throat, her lips, as his erection buried itself between her legs.

His hips began moving forward and back, and Dani turned her head from side to side, mouth open, tongue moistening her lips between breaths. A squeal became a gasp, and he saw Dani bite her lower lip as a moan rose from her throat, and her vice-like vagina clamped down on his manhood.

# LENA IS LOADED

**A new Ukrainian gal who's really packin'!**

Okay, we're gonna give ya'll about one page to figure out Lena's secret. Thick, hardy dugs, pebbly areolae, breasts flush and full that in five months have grown from perky B+-cups to floppy E-cups. Ya'll know what we're talkin' about, don't ya? Turn this page for the proof.

Talk about showing. Five months preggers, and Lena's tits are freakin' awesome! Lena told us she had nothing boob-wise before conception, and she was so insecure about her lack of boobs that she was looking into augmentation. But now, her boobs have filled in and her nips have become so sensitive, Lena has discovered the mythical breast orgasm. A bit of tugging on her dugs, some rubbing of the areolae and, *shazam*, Lena is climaxing like crazy—no clit action necessary. It's a common tale for many smaller breasted women experiencing the joy of motherhood that you'll never hear in a birthing class. And just one of the reasons we absolutely love preggers!

## BARE FACTS

**LENA**

**Age:** 24 **Birthday:** January 27, 1982

**Height:** 5'5" **Weight:** 129 lbs. (pre-pregnancy), 147 (at five months)

**Bra Size:** 34B (pre-) 36E (current)

**Born, Raised and Lives:** Ukraine

**Video:** *Chesty Preggos* (X-Rated, new release), available on VHS and DVD in the Video Club on page 98.

If big, luscious, juicy boobs are the number one reason to love preggers, number two has gotta be the horny factor. "Oh my gawd!" Lena told us as we were shooting some masturbation video of her. "I am always horny. *Always*. If the wind blows and rubs my shirt against my breasts, I get excited. If I eat a banana, I get excited. If I breathe, I get excited. Its wonderful." Yes, it is, Lena. Anybody who has had a pregger knows exactly what you're talkin' about. And, now, anybody who hasn't, well, they'll never look at a loaded lady the same way again. What was that? Oh yeah, video? *Chesty Preggos* is it's name. To get in the game, turn to page 98. You can thank us later.

## ANNIE

This busty sex-pot defines the phrase "stacked and packed."

# SWANSON

You guys have seen that phrase often. In videos and on bar-stools, we've all said it... "That chick is stacked and packed." So often, it's wishful thinking. Not today. This is Annie Swanson, and she *is* "stacked and packed."

## **BARE FACTS** **ANNIE SWANSON**

**Age:** 25 **Birthday:** March 22, 1981 **Height:** 4'11"

**Weight:** 130 lbs. **Measurements:** 42-28-36

**Bra Size:** 36DDD **Lives:** South Florida

**Previous *Voluptuous* appearances:** Oct. '05 (XXX-Rated hardcore in *Voluptuous Xtra*), March '04, Holiday '03 (XXX-Rated hardcore debut pictorial), Oct. '03, Feb. '03, Dec. '02, Sept. '02

**Videos:** *Ultimate Annie Swanson* (XXX-Rated), *Voluptuous Xtra* #11 (XXX-Rated) both videos are available on VHS and DVD in the Video Club on page 98 of this issue; *Voluptuous Xtra* #6 (XXX-Rated), *Stacked & Packed* #4 (X-Rated, available on page seven of this issue), *Bosom Buddies* #5 (X-Rated), *Busty Ladies of Oil Wrestling* (R-Rated), all videos are available on the Internet at [www.eBoobStore.com](http://www.eBoobStore.com).

What can we tell you about Annie that we haven't already said during her past seven *Voluptuous* pictorials? Her fans number in the thousands, and it's not just because of what you're seeing here. Sure, Annie is packing in all of the right places, but she's also your classic lady-in-the-parlor, whore-in-the-bedroom type. Sweet and friendly, Annie also has a talent for fucking and a hunger for orgasms that would be shocking if it wasn't so damned sexy. We get hard in seconds just thinking about her newest flick, *Ultimate Annie Swanson*, and with that new, portable DVD player your trusty, crusty editor got for X-mas and that scene on *Ultimate* where she gets it balls-deep and cums so loud she...oh man, gotta go. Is this a great job, or what?

## **2005 NEWCOMER OF THE YEAR CONTEST**

*Merilyn  
Sakova*  
2nd Place

We have to tell all of you that we are a bit shocked by the results of 2005's *Voluptuous* Newcomer of the Year contest. Not by the final results, but by how evenly the voting went. Although we're not telling you who finished 10th, that lady had over 2,200 votes out of close to 30,000. The top five finishers were separated by less than four percent of the total votes. Why the surprise? Honestly, we thought this would be a Merilyn wipeout, much like Nicole Peters did in 2003. Instead, Bea Flora prevailed by the slimmest of margins and Merilyn, who was running in fourth early in the contest, received a late push to take second place. Regardless of placement, we're guessing that years from now boob-lovers will be talking about the 2005 vintage with wonder and awe. Do we have some legends in the making? History will decide that, though none has greater potential than our 2005 Rookie of the Year...Bea Flora.

## An upset? Take one look & see for yourself!

Merilyn Sakova's fans are probably pretty stunned right about now, though they shouldn't be. The voting was tight, and so were the adjectives. Words like "stunning," "gorgeous," "perfect," "bodacious," "alluring," "elegant" and, our personal favorite, "voluptuous," were used to describe both Bea Flora and Merilyn Sakova, and not just by our editorial team. Yeah, we've uttered all of those words (and lots more) looking at pictures of Bea, though our editor uttered a phrase last summer that has proven quite prophetic. It happened the moment he first saw pictures of Bea Flora on his computer screen. He took one look, grabbed his boner and yelled out, "That's our Newcomer of the Year!"

It's ironic that, in an era of porn on cable TV, in mags and all over the Internet, a woman who actually hides her cookie could beat out ladies who are shoving all kinds of things up theirs. Bea is a European glamour model, also known as a "figure" model, and in that world, showing pussy is a no-no. That didn't stop guys from voting for her. In fact, it might have actually helped. Bea got more "classy" comments than any other model, and she actually had readers thanking her for bringing the "glamour" back to Big-Tit-Dom. That's pretty impressive stuff and a testament to how truly sexy Bea Flora is. You know you've got something special when guys are actually thanking the girl for *not* showing pussy.

You know, there were actually voters who didn't select Bea because in past pictorials she wasn't a big smiler. As one Canadian voter wrote us, "Bea looks too serious. Lighten up, girl! You're beautiful with a great body. Have some fun!" Well, boys and girls, not only does Bea have a smile, but damn it to hell if she doesn't look twice as sexy showing some teeth. Who knows, if she keeps that look up, she just might have something else to smile about this time next year.

## DESIRAE

**Busty Desirae has something she would like to get off of her chest. Her bra!**

Desirae's training bra got tossed when she was in the seventh grade. "I went from a flat chest to a C in 10 months," said Desirae, one of the prettiest girls to ever pose in *Voluptuous*. "By the time I was in ninth grade, I was a DD and by the end of ninth grade, I was a DDD." God works in wonderful ways.

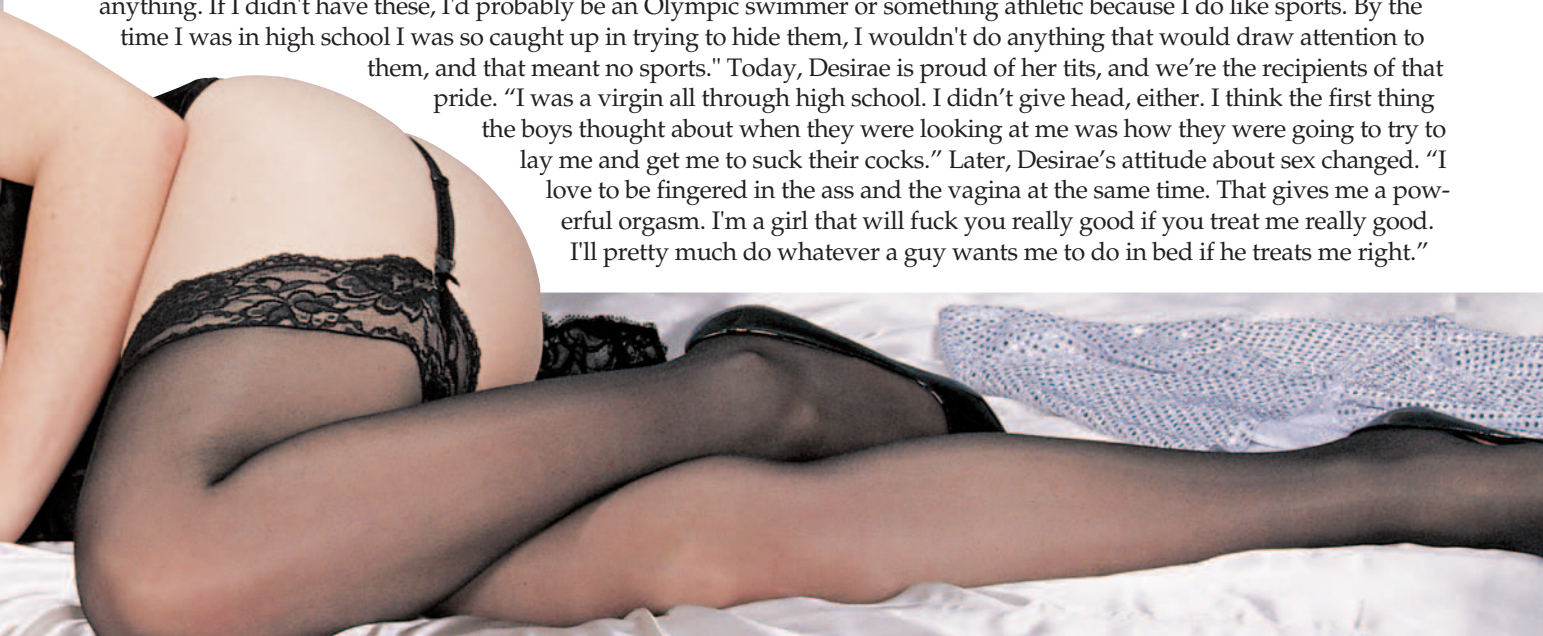

"I was on the swim team when I was 13, but as soon as I got breasts, I quit," said Desirae. "Because of my breasts, I didn't do anything. If I didn't have these, I'd probably be an Olympic swimmer or something athletic because I do like sports. By the time I was in high school I was so caught up in trying to hide them, I wouldn't do anything that would draw attention to them, and that meant no sports." Today, Desirae is proud of her tits, and we're the recipients of that pride. "I was a virgin all through high school. I didn't give head, either. I think the first thing the boys thought about when they were looking at me was how they were going to try to lay me and get me to suck their cocks." Later, Desirae's attitude about sex changed. "I love to be fingered in the ass and the vagina at the same time. That gives me a powerful orgasm. I'm a girl that will fuck you really good if you treat me really good. I'll pretty much do whatever a guy wants me to do in bed if he treats me right."

## RICH BITCH

*Continued from page 30*

She opened her eyes and smiled as Harvey became still. "Your turn now, baby," she said, and she pushed her breasts together as he knelt before them and rubbed his wet erection over them. They glistened in the morning sun as Dani opened her cleavage to him and took his penis inside.

There was enough lubrication left on his shaft to provide smooth sliding, and Harvey stroked forward and back with the certainty that any minute now he'd climax. Dani sensed it, too, and looked up at him. "My face," she said, and that pushed him over the edge.

He was about to grab his erection, but Dani beat him to it. She held tight, aiming his foreskin at her open mouth, and pulled. Harvey's cry matched her earlier one, and she felt his penis pulse as it shot a stream of milky spray into her mouth, onto her tongue and against her teeth. Some spilled over her lips and down her chin, cascading onto her breasts, but more and still more shot from him to take its place.

As his passion wound down, Dani rubbed his penis over her lips, then lowered it to her breasts with one hand while she lifted each mound with the other. Cum shone on her nipples, and she rubbed his foreskin against them before returning it to her mouth. She then licked him clean, and in moments they were lying side by side on the wide chaise. Dani kissed the fingertips of one of Harvey's hands and they smiled at each other, spent—at least for this week.

"Same time, same station next Monday?" asked Harvey.

"I'll call you," Dani replied. "Sometimes after a trip Edgar stays home for a day to adjust his inner clock."

Harvey tangled his hands in her long, luxuriant, black locks. "I'll be waiting."

Yes, you will, she thought with a glow of satisfaction. Tomorrow, Tom the gardener will be here. And after Tom, on Friday her new trainer—what was his name again, Richard?—arrives for his first official visit. She and Edgar had met him at one of those insufferable cocktail parties he was always dragging her to, and she noticed, as was always the case, that he could barely keep his eyes from her plunging neckline as they spoke. Dani knew that she would score with this one, too, and score big.

Tuesday came—so did Tom the gardener—and the days dragged until Friday. One room in the mansion was designated the gym, and it sported all manner of workout machines along with a padded bench for free weights. That bench Dani planned to use for a different kind of lifting and lowering.

She had dressed in a bright red spandex outfit, whose deep, V-cut bodice would cover the breasts of a normally-proportioned woman, but on her they looked like mere straps. Her breasts seemed to spill out of it, with her nipples and only a few more inches of flesh on either side being hidden. The leg cutouts arched high above her hips, and the crotch sported snaps. Nothing was between the snaps and her body. Her feet were bare, the toenails painted the same red as her fingernails. Her hair was pulled back in a curly, black ponytail, her eyes were softly shadowed, and her lips were glossed a deep red.

The doorbell rang, right on schedule, and Dani rushed to answer it. “Richard, good morning, so nice to see you, again.” And it *was* nice to see him, wearing his workout shorts and sleeveless top. He probably encased his jewels in a jock strap, too, Dani thought. Very nice indeed. He held a gym bag in his hand.

“Good morning, Mrs. Delahanty.”

Dani touched two fingers to his lips. “No ‘Mrs.’” here. We don’t stand on formality. Please, call me Dani.” She ushered him inside and shut the door behind him. “Let me show you the workout room. I think you’ll like it.” She took his hand—he tensed a bit at that—and led him to the gym.

“Here we are. What do you think?”

Richard freed his hand and scanned the room. “Impressive. It looks like you’re serious about working out.”

Dani fluttered her eyelids as sensually as she could. “I’m eager to learn whatever it is you’d care to teach me.”

“Have you ever worked with a personal trainer before?”

“No, but I’m in good shape, wouldn’t you say?” She put her hands on her hips and turned from side to side.

Richard had trouble keeping his eyes north of her breasts. “I’d say you are.”

“Thank you.”

“Well, Mrs. Delahanty—”

“Dani.”

“Well...Dani...The first thing you’ll want to do is hydrate yourself.” He

reached into his gym bag and pulled out two bottles of water. "Here." He tossed one to her, and she caught it one handed. "Good catch."

"I know I am," she said with a wink.

Dani unscrewed the cap, tilted the bottle to her mouth and drank as if she were fellating the bottle. She licked the rim of the neck as if it was the head of a dick before placing it on a nearby table. "Tell me, are you married, Richard?"

"No, ma'am. But you are."

This guy was clearly a straight arrow. Well, she'd see how straight she could make him.

Dani threw her head back and laughed. "Don't 'ma'am' me, Richard. Tell me, are you seeing anyone?"

"No, ma-Dani. I was, but it didn't work out. Speaking of working out, do you think we could get started now?"

"Hey, great segue. Should we warm up first? How about jumping jacks?"

"Jumping jacks would be fine."

Dani proceeded to do her warm-up, and Richard joined her, if only to distract him from watching her breasts bounce like two beach balls imprisoned in spandex. When they were finished, he led her to the workout bench.

"I see you have some two-pound dumbbells here," he said. "I want you to lie on your back on the bench, extend your arms outward and lift the dumbbells above your chest."

Dani did as instructed. When Richard placed the weights in her hand, she bent her elbows and pushed them upward. Her trainer shook his head.

"No, don't bend your arms. Keep them extended. We're working on your pecs here. Keep them straight."

"Oh, Richard, I'm such a klutz. Could you demonstrate for me, please?"

They exchanged places on the bench, Richard sitting with his back toward Dani and his feet flat on the floor. He lowered himself onto his back and found himself looking upward at two bare breasts, dangling over his face like fleshy pendulums, swinging easily back and forth as Dani, perched on her knees, moved her shoulders from side to side.

"Why don't you let me give you a workout?" she said, holding his head between her palms.

She allowed her nipples to graze

# VANESSA

**From our editor's private stash. A blast from our past who is hotter than balls!**

A lot of you long-time V-men are probably thinking the same thing our editor is...Pass the fuckin' Bounty! This is Vanessa, *Voluptuous* hottie of lore, *Boob Cruise Babe* and bonerfide sex-pot. Gentlemen, start your strokin'!

These photos come courtesy of old Bruce Arthur, our editor and a horny boob-hound, who first met Vanessa when she sailed on the legendary Boob Cruise '97. B.A. took one look at this stunner and has been pounding his pud to these pictures ever since. We had a lot of photos circa 1998 of Vanessa, so B.A. figured, what the hell, nobody will miss one set. This was his favorite. It's been in his desk, at his house, on his computer and in his dreams for years until somebody found the photos in his desk and told the bean-counters. Now, he's sharing his private stash with all of you. He was supposed to come up with some creative story explaining where these pics have been, but screw it. The truth will set you free, or at the very least have you cumming, just not as much as our editor!

For those of you who are seeing Vanessa for the first time, her story is quite simple. She's pretty, sexy and has big tits. We photographed her in the mid-to-late '90s, and she last appeared in the May '01 *Voluptuous*. Back then, Vanessa was just a young Brit, looking for fun. She sailed on Boob Cruise '97 and '98, but never quite hit the big-time like some of her contemporaries and retired quietly without much fanfare after her final pictorial. Still, even though Vanessa didn't become a superstar and is more like one of those "Yeah, I remember her" models, what fond memories they were...and still are.

*Continued from page 74*

Richard's lips, saw them part and pressed one between them. "You suck on me, and I'll suck on you," she said.

His mouth opened wider then, and he began suckling her tit like a hungry infant. He held her breasts from the side, drawing them to his face. Her nipple grew hard and puckered inside his mouth, and then he released it and pulled the other one to his lips. His thumb and forefinger tweaked the exposed nipple, making Dani squeal. He continued to suck one breast as his hands kneaded the other as if it were soft, fleshy dough.

And she came.

Wow, she thought. I'd heard that it was possible, but I'd never thought it would ever happen to me.

She pulled herself back and stood astraddle Richard's head. Her fingers unfastened her snaps and exposed her crotch. She looked down at his parted lips and partially-extended tongue and smiled, lowering herself onto his face.

Dani moaned softly as Richard's hands gripped her buttocks. His lips met her labia, and his tongue began its exploration. She ground her pubis into his face and stopped suddenly as his teeth nipped her clitoris.

She came again.

Now it was time to make good on her promise. Dani leaned forward and shoved Richard's shorts down past his thighs, saw his erection fighting to get through his jockstrap and shoved that down, too. With the fingertips of one hand she cradled his penis while the others cupped his balls. A polished fingernail traced the seam of his scrotum to the underside of his phallus and around his foreskin, which Dani likened to a fleshy firehat. Holding his penis between her fingers, she blew gently onto the tip and then lowered her body—and realized that Richard had released her ass and had put his hands on his abdomen, palms up, waiting to receive her breasts. With a smile, she settled her nipples on his palms and kissed the tip of his foreskin. A gentle nibble followed, a kiss again, and then her lips slid down his shaft to its root. She moved her head up, feeling the suction in her cheeks, moved it down again, and up again.

As she sucked his dick, Dani could feel Richard's fingers flexing against her

breasts, feel his breath hot against her labia. She knew she needed to ride this cowboy and ride him soon. She slid forward, gripping his penis and rubbing it over her nipples, stabbing them with it, then sandwiching it between her breasts before she stood up, turned around and lowered herself onto his erection. She arched her back as he filled her, smiled as his hands found her breasts and pinched her nipples. In seconds she was leaning forward, hips raised to let Richard's hips thrust in rhythms of lust. Somehow, her huge breasts were cupped in his hands and her thick, hard nipples were trapped between his splayed fingers.

She could feel his passion mount, but before he released it Dani grew inspired. "Stop," she said. "Change places. Kneel at the head of the bench. There's something I want to try."

Richard complied with a frown on his face. Dani lay on her back on the bench and let her head hang over the end, her mouth in line with his penis. He smiled and slid his organ into her open mouth, then began fondling her breasts, pushing them together from the side, his fingers making indentations in them as he manipulated her mammary flesh. Suddenly a jolt of electricity bolted through his groin, and he shot a load of semen into her mouth.

After the major ejaculations, Richard removed his penis and rubbed it over Dani's neck, chin, and lips before returning it to her open mouth. She sighed around his slowly-softening member as his hands, gentle now, stroked her breasts in calming afterplay.

**M**inutes later, the pair dressed and sat on the bench, staring into each other's eyes. "I liked my workout," Daniela said softly, a seductive smile playing at the corners of her beautiful mouth.

Richard stood. "So did I, Mrs. Delahanty. But I don't think you're going to like what happens next."

She frowned. "What do you mean?"

At that moment her husband walked into the room.

"Edgar!" she shrieked in genuine disbelief. "But you're in Tokyo!"

"I never went, my dear."

"Edgar. What's going on?"

Richard said, "Dick Dunbar, Double-D Investigations. Your husband suspected you of infidelity and hired me to find out if it was true."

Dani's eyes flamed as she stood, and her hands balled into fists. "You mean, that whole thing at the party, that chance meeting, that was all a scam?" She thought a second, then jumped into survival mode. "Wait a minute, you seduced *me*! That's—that's entrapment! It'll never hold up in court!"

Edgar smiled sadly. "It's not about today, my one-time love. Remember the new security system I mentioned?"

Richard added, "Your, umm, episodes with the pool man and gardener are recorded in high-definition."

She stared desperately at Richard. "But you...you..."

Mr. Delahanty said, "My friend Dick here was icing on the cake. He did ice your cakes, didn't he? I didn't look. I just listened from the other room." Richard pointed to his mouth. "Oh. You never did that for me. I told him that if my suspicions were correct, and he proved your infidelity, he could have a shot at you too—if you'll pardon the pun. After all, if you're giving it up for every swinging dick in town, I figured you could give it up for a private dick as well—again, no pun intended."

The fire left Dani's eyes. Her shoulders slumped. In a weak voice, she said, "Edgar, I'm so sorry."

"So am I, Daniela. Now, listen. You have 15 minutes to pack a suitcase and leave. I've already canceled your credit cards, but I did leave a thousand dollars in cash on the hall table. Considering the circumstances, I'd call that extremely generous, wouldn't you?"

"But, what about the rest of my clothes and my jewelry?"

"For my charities. Oh, and I wouldn't advise contesting the divorce or asking for any alimony. Trust me, my dear, those tapes are very explicit."

In tears, Dani ran upstairs to pack while Edgar poured two glasses of scotch. They drank in silence for awhile. The elder man looked wistful. "You know, Dick, there are times when I wish I was a child again. Life was so much simpler then, so free, so innocent."

Richard sipped his scotch. "Mr. Delahanty," he said, "You're rich beyond belief. No offense, sir, but a lot of money makes up for a few wrinkles. You can have any girl in town."

Edgar thought about what his new friend had said for a moment, rubbed the crows' feet by his eyes and smiled widely. They clinked their glasses as the front door slammed shut.

## **MODEL OF THE YEAR CONTEST**

Yes, V-people, it's Deja-Boob, all over again. Nicole Peters has topped the greatest collection of busty babes ever assembled to win the most prestigious crown in all of Big-Tit-Dom, *Voluptuous* Model of the Year, for the second consecutive year. Reminiscent of her 2003 Newcomer of the

Year win, Nicole doubled-up her closest competitor, Nadine Jansen, and was clearly the readers' choice, despite having two former Model of the Year award winners to contend with (Kerry Marie-2003, Via Paxton-2000). As with the Plumper and Newcomer of the Year contests, we're only showing the top five finishers and their vote counts, although all of the

Finalists for Model of the Year deserve recognition for just being included in this year's contest, the most exclusive gathering of busty babes we've ever seen. It's not their fault they ran into The Great One...Nicole Peters.

## OF THEM ALL

**Award, Nicole is now in a class by herself!**

my heart into perma-love-goo!" Trust us, he isn't alone. Is it too early to start calling Nicole Peters the #1 Super-Natural of all-time? Thousands of V-men have already done that, though they now have another nickname for Nicole that also suits her quite well...*Voluptuous* 2005 Model of the Year.

The most impressive aspect of Nicole's second consecutive *Voluptuous Model of the Year* award is the fact that she vanquished an incredible field. As more than one reader put it, "This year's list of Finalists reads like a *Voluptuous Hall of Fame*." There were past Model of the Year winners, Newcomer of the Year winners, a sentimental choice in Via Paxton and some awesome hardcore super-vixens. We actually thought the voting would be tighter than it was and, believe it or not, *it was*. Lots of voters wrote to us that they were going to vote for Nicole, but they figured, "Why bother? She's going to win anyway, so I'd like to give other models some recognition." That was from J.D. in Canada, speaking on behalf of roughly 1,200 voters who said pretty much the same thing, and showed just how truly great and dominantly *Voluptuous* Nicole is.

## BARE FACTS

So, where does Nicole Peters go from here? Surely, she can't win a third consecutive Model of the Year title? "As long as Nicole poses, she gets my vote!" That was from C.R. in New York City, and a couple thousand like-minded V-men. So, unless somebody else comes forward, we may just have to get rid of the Model of the Year contest until Nicole retires, because it's really not much of a contest, now is it? Congratulations, Nicole, on your second consecutive *Voluptuous* Model of the Year award... and counting.

# CREAM ALL OVER MY JUICY TITS!

Monique wants your spunk.  
Every gooey last drop of it!

Drop a thick load all over Monique L'Amour's enormous rack. That's a very simple, straightforward request. The best part is, where a lot of chicks would say that to a guy just to be, you know, all cordial and friendly, Monique actually means it. The only thing this plumper loves more than a thick cock down her deep throat and in her tight twat is gobs and gobs of creamy, gooey spunk all over her big, juicy tits. Hey, Monique L'Amour is a *Voluptuous*-girl. This is the Horniest Show On Earth. You all are the spunkiest guys on the planet. Put all of those things together, and you know what that means. Whatever Monique wants, she gets!

Monique L'Amour first showed off her F-cup tits and XXL sized ass in the Nov. '05 *Voluptuous*, and the one thing we remember most about her debut (aside from having to shave our palms a lot) is a question she posed to us... "When do I get to do hardcore?" Even during her debut, Monique wasn't the bashful type. She was a horny plumper when she first walked into our studio and a totally satisfied one when she walked out. Why? Take a look. This plumper got it...big-time!

**Voluptuous**  
*Manique*  
**MAY 2006**

Monique's a student and a tutor majoring in biology and business. Fine goals indeed, but the lure of exposing her fleshy body to drooling boob-dogs like us was too strong for her. Monique is a teasing man-pleaser and she and her 38F-cups love to polish the hard wood. "I like to get fucked two or three times a day when I'm in a relationship," confesses Monique, who takes that cock to the hilt. Visit [XLGirls.com](http://XLGirls.com) to see more of Monique sucking cock and banging on video.

## A LUBE-JOB WITH AUTUMN

**All lubed up with  
only one  
place  
to go!**

This is just a quickie, boys, but man, is it a goodie! The gal is Autumn-Jade, the time is about high-noon and the place...our fantasies. A warm sun, cool pool and smokin' hot babe with bronze skin, big tits and a pussy that doesn't really need any lotion, but looks damn fine all lubed up. Man, summer can't get here fast enough!

Videos: *Ultimate Autumn* (XXX-Rated), available on VHS and DVD in the Video Club on page 98 of this issue

A photograph of a woman with blonde hair and sunglasses lying on a blue and pink beach towel. She is unclothed, and her skin is glistening with oil. A man's hand is resting on her hip, and his tongue is in her mouth. The background shows a pink towel and some greenery.

Shot a couple of summers ago, we've been saving these pictures for a cold, winter's night. When V-men would be snuggled up next to a fire, dreaming of bikinis, babes and boning on the beach, and the only thing that can take them away to paradise is...You got it. That's what *Voluptuous* and *Voluptuous Xtra* are all about. Bringing your fantasies to life. And none get any better than Autumn in the summer.
